

# UCLA - Econ 221 - Fall 2018 - Geerolf

This website contains all the class material for *Topics in Empirical Macro and Finance (Econ 221)* I teach in 2nd year Ph.D at UCLA.

A syllabus and a preliminary timetable are available here:

Syllabus. pdf / html

Timetable. pdf / html

## Lectures

Lecture 1. pdf

Lecture 2. pdf / html / R

Lecture 3. pdf

Lecture 4. pdf

Lecture 5. pdf

## Assignments

Replications. pdf / html

Presentations. pdf / html

## Useful Resources

Some classes will be devoted to “hands on” empirical data. We will be using R statistical software. An introduction is provided here:

Intro to R. pdf / html.

Finally, the following contains some links to useful advice on the PhD (writing, presenting, coding, etc.)

Miscellaneous. pdf / html
